

# Camp Cosby's Outdoor Classroom Suggested Packing List

**Water Bottle:** Please bring a water bottle. Camp provides water bottles for purchase, at cost, in the camp store.

**Pillow:** This is important if you want to get a good night's rest!

**Sleeping Bag or Sheets:** The mattresses are bare so a sleeping bag works well or a set of sheets that will fit a twin size mattress. If you bring sheets you might also consider a blanket too, even in summer!

**Toiletries:** Everyone shares a cabin so pack accordingly! Don't forget that toothbrush!

**Clothes:** Be sure to check the weather and pack accordingly! ALMOST ALL OF OUR CLASSES TAKE PLACE OUTSIDE! If its going to be cold pack warm clothes including a hat, if its going to be hot- shorts and t-shirts. And last but not least, make sure they are clothes that can get really dirty!

**Shoes:** Make sure they will be comfortable for hiking trails! And consider bringing a second pair in case the first pair gets wet. Also, some type of flip-flop is nice for the showers.

**Raingear:** Unless safety is an issue, we will be outside rain or shine! Raingear, a raincoat, or even a poncho is essential!

**A Small Pack or Bookbag:** This is helpful for keeping things together while out on the trail.

## **Optional Items:**

**Paper, Pens, and/or pencils, Disposable Camera, Insect Repellent, Sunscreen, Cash-** not much is needed, \$20 should cover snacks and souvenirs... and it helps if the money is in \$1 dollar bills.

## **What NOT to Bring:**

**Any kind of electronic device-** this includes gameboys, ipods, and cell phones!

**Anything valuable-** items left in cabins tend to "disappear", items taken on the trail tend to get wet!

**Any kind of food or drink, including Gum-** there is NO FOOD OR DRINKS ALLOWED IN CABINS!

**Remember, students have to carry their own luggage up to their cabins so don't over-pack, bring just what you need to cover your trip.**
